— WHO WE ARE

Built on heritage. *Driven by expertise.*

Founded in Hyderabad in 1984 by Late KV Ramana Murthy and Senior Partner T Umakanth, Murthy & Kanth has grown over four decades from a small practice into a full-service boutique CA firm. We are a young and energetic team of 30+ professionals committed to delivering quality across audit, tax, and advisory — continuously evolving to meet the needs of a changing regulatory and business landscape, while staying true to our founding values of integrity and professional excellence.

Our Vision

To provide quality solutions in matters of accounting, auditing & taxation — with a client-centric approach and a commitment to long-lasting relationships built on the highest standards of quality and ethics.

Our Mission

To deliver exceptional service that creates value and growth prospects for every client — through a team equipped with subject expertise, experience, and professional integrity.

— LEADERSHIP

Meet our *Partners*.

Our partners bring together decades of practice across audit, tax, and advisory — guiding the firm with strategic direction, technical depth, and a hands-on approach to every client engagement.

WHAT WE DO

Specialist services for *every financial need.*

A peer-reviewed CA firm offering Audit & Assurance, Taxation, and Advisory — backed by 40+ years of practice, 1,000+ clients, and a team with deep, demonstrated expertise.

01

Audit & Assurance

Independent, high-quality audits that go beyond the numbers. Our approach begins with a thorough understanding of your business — identifying risks and offering practical recommendations that strengthen compliance and financial integrity.

- Statutory Audits
- Tax Audits
- GST Audit
- Risk-Based Internal Audit

02

Taxation

Tax laws have grown increasingly complex. Our practice is built around understanding your business first, then structuring the right approach — for individuals, partnerships, and corporates across Direct Tax, Indirect Tax, International Tax, and Transfer Pricing.

- Direct & Indirect Tax
- International Tax
- Transfer Pricing
- Tax Planning & Compliance

03

Advisory

As businesses evolve, the necessity of a trusted advisor becomes crucial. We offer a wide range of advisory services — from MIS preparation and business structuring to due diligence, valuation, and strategic tax advisory.

- Business Structuring
- Due Diligence
- Business Valuation
- MIS Preparation
- Tax Strategy
